Unit Test Corrections

I. Vocabulary Words and Definitions:

- A. The check/grading marks closest to the edge of the paper are for spelling.
- B. The check/grading marks next to the numbers are for the definitions.
- C. If there is a spelling mistake, you are to write the word correctly *3 TIMES*.
- D. If there is a mistake within the definition, you are to write the *entire* definition correctly *3 TIMES*.
- E. For each correction re-written *3 TIMES* correctly, you will receive half credit, which will be added to your test grade.
- F. Not following these directions will cause you not to receive the half credit.

II. Other Tested Information: Any answer that was incorrect must be written correctly *3 TIMES each*. Again, you will receive half credit for each answer re-written correctly. If these directions are not followed, you will not receive the half credit.

GOOD LUCK!!!
